Dear Exchange Partners,

We appreciate your continued support of and partnership with our educational and research activities.

Due to the spread of the COVID-19 in Japan and the ban on new entries from overseas by the Japanese Government, we regret to inform you that the University of Shizuoka has made the difficult decision to suspend all international inbound exchange programs, for the Fall 2021 Semester. We hope you understand this decision was made for the safety and well-being of your students. We sincerely apologize for any inconvenience this may cause.

We will do our best to coordinate further arrangements with regard to our exchange programs. If you have any questions or concerns, please do not hesitate to contact our International Affairs Center.

Sincerely yours,
